

BUG HOTEL!

How to make your Bug Hotel:

1. Clean and dry your empty milk container.
2. Ask an adult to help you cut a hole in the front for the bugs to crawl in.
3. Place the larger sticks, bark and cones into the hole so they are stacked on top of each other and facing outwards.
4. Fill all the gaps with the smaller items such as leaves, smaller twigs and any old flower heads.
5. Create a 'Bug Hotel' sign to hang from your container.
6. Place your Bug Hotel outside and watch as bugs enjoy exploring it.

You will need:

-  Empty milk container
-  Cardboard
-  Pen
-  String
-  Leaves, twigs, cones, tree bark, old flower heads
