

# BUZZING BUGS

How to play:

1. Ask an adult to help you cut out the cards along the dotted lines and arrange them picture-side down in a random order.
2. Take turns flipping over two cards. If the cards match, make a buzzing sound and place them next to you! Buzz buzz! If they do not match, return them picture-side down.
3. Keep going until you have found all the pairs. The winner is the player with the most pairs at the end.

This is a  
game for  
2-4 players.

Buzz buzz!
