

3D FLUTTERY BUTTERFLY

How to make:

1. Colour in the butterfly.
2. Stick the butterfly onto card and ask an adult to cut out along the dotted line.
3. Fold each wing upwards along the body.
4. Put glue along the back of the butterfly body and stick it onto the coloured background.

You will need:

- ✿ Scissors
- ✿ Colouring pens or pencils
- ✿ Cardboard
- ✿ Glue
